

# Deprivation of Liberty Safeguards (DoLS)

|                            |                                                                                                                                                                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Learning summary</b>    | This course covers the definition of deprivation of liberty and the Deprivation of Liberty Safeguards (2009).                                                                                                                                   |
| <b>Learning aims</b>       | The aim of this learning is to explore the role of the Local Authority in deprivation of liberty and the assessments that are required within the DoLS process. The learning also examines when a deprivation of liberty may not be authorised. |
| <b>Learning objectives</b> | <b>Learners will be able to:</b> <ul style="list-style-type: none"><li>• Explore DoLS and the safeguards that apply</li><li>• Define recent case law</li><li>• Examine and apply the Deprivation of Liberty Authorisation process</li></ul>     |

|                                         |                                                                                             |
|-----------------------------------------|---------------------------------------------------------------------------------------------|
| <b>Applicable audiences</b>             | This learning is suitable for all learners                                                  |
| <b>Pre-requisites</b>                   | There are no pre-requisites required for this learning                                      |
| <b>Delivery method</b>                  | This learning is delivered by an eLearning package                                          |
| <b>Duration</b>                         | This learning will take approximately 1 hour to complete                                    |
| <b>Materials and resources required</b> | Learners should have access to a computer, tablet or smartphone with an internet connection |
| <b>Refresher</b>                        | It is recommended that this learning should be completed every 3 years                      |
